# BUILDING A WINNING TEAM

## PEOPLE

Compassion ♦ Loyalty ♦ Excellence ♦ Accountability ♦ Responsibility

We **invest** in our employees through professional development initiatives to keep them on the forefront of industry trends, the latest technologies and methodologies to infuse new techniques and innovations. Excelicon provides **financial support** for certifications and company-wide training through an online LM to maintain highly-qualified personnel. Our **in-house** recruiter ensures that we can quickly fill any staffing needs by maintaining a database of screened resumes that is continuously refreshed and expanded, giving us access to a wide range of subject matter experts in all our core IT service offerings. We also have **close relationships** with professional associations and via partnerships with high-quality staffing organizations.

## PAST PERFORMANCE
